DETAILED ACTION

1. Receipt is acknowledged of the Amendment filed July 10, 2006.

Allowable Subject Matter

2. Claim 3 is allowed.
3. The following is an examiner's statement of reasons for allowance: The prior art of record, taken alone or in combination, fail to teach or fairly suggest, in conjunction with other limitations in the claims, a memory card structure having a circuit board having at least two contact terminals including a first contact terminal located on a top of a first end thereof and a second contact terminal located on a bottom of the first end thereof. The first contact terminal is located on the top of the circuit board between the case and the first end of the circuit board, wherein an end of the case is spaced apart from the first end of the circuit board a distance greater than a length of the at least two contact terminals.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
